HEAD-itorial

Dear Parents and Carers,

Our school works in partnership with parents to provide the best education for each child and believes that regular attendance through the year is essential to every child's success and fulfilment.

Missing a week of school for a holiday might not seem like very much, but it can have a significant effect on your child's education.

For example, if your child misses a week of school every year, this adds up to more than half a year over the child's whole time in school.

Making sure your child attends school as much as possible means:

- Your child will have the same education and opportunities as everyone else in the class
- You won't need to worry about catching up on work, or that your child might fall behind because of missing a valuable lesson
- Your child won't miss out on activities at the start and end of a term, which are often fun and a chance to develop friendships

I strongly urge you always to consult with the school before making plans that involve a pupil's absence from school.

Many thanks for your anticipated co-operation on this matter.

Yours sincerely

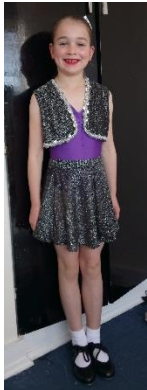

Mrs. Lizzie Christopher

Headteacher

wow moments

Congratulations to Arabella and Olivia England and all the girls from Oakhurst who took part in the Sullivan School of Dance Legends production at the Wyvern Theatre on the 4th and 5th May 2018, two evening performances and a matinee after weeks of additional classes to perfect their dances as well as two rehearsals at the Wyvern!

Arabella, Denver class, took part in two dances and Olivia, Darwin class four dances with the Mamma Mia costume being her favourite, she was also a troll, a robin, and a lion!

Royal wedding

A reminder that, this Friday, we will be celebrating the Royal Wedding by holding a special celebratory lunch. We would like all pupils to dress in royal wedding attire; anything from a wedding dress to any smart outfit is fine. Many thanks for supporting our celebrations!

On 22nd May, Mrs. Christopher will be attending the Coffee Stop. Please do pop in to introduce yourself and to give any informal feedback as to what is going well at Oakhurst and any areas for improvement.
